## 2006 Stadium Seating

The Brookwood Dugout Club is selling stadium seats again this year. The 170 reserved seats section will be on a first come first serve basis with the exception of returning players/parents wishing to purchase their same seats for another year. There are several packages for corporate sponsors, alumni and current players. We are still offering the players/parents package and corporate/supporters package which includes the permanent name plate to commemorate your sponsorship. New this year is the option to purchase a reserved seat with no name plate which includes a season's pass. The Diamond Girls will once again be servicing the reserved seating area to provide a fan friendly atmosphere. Please take the time to look over the packages and choose the package that best suits your interest. Please take this time to reserve your seats and join us as we begin another exciting year in a first class facility. Thank you for your time and support of such an outstanding program.
